 **FJORD 39** XL

## BE UNIQUE

---

In every *FJORD*, the best features of three distinct worlds align. Scandinavian purism bestows upon it a striking visual allure while the Mediterranean way of life serves as the model for its numerous luxurious details. German engineering assures explosive dynamism, paramount safety, and impeccable craftsmanship. This singular DNA establishes *FJORD* as a trailblazer of lavish powerboats and a globally acclaimed design icon.

Immerse yourself in a world of original power yachts and discover the new *FJORD 39 XL*, embodying an extraordinary blend of power, luxury, and design to perfection.

# HIGHLIGHTS

---

- The biggest T-top in the market, great shade to enjoy the living by the sea.
- Versatile the configuration. Dinning, sunbathing, lounging...
- Largest sun lounger in its class with a chaise longue option.
- One of the fastest powerboats amongs its compititors.

## UNPARALLELED SPACE

---

In the cockpit, you'll be greeted with a breathtaking ambience that will instantly captivate you. A spacious double bench, two stylish tables, and a comfortable sun lounger offer you an unrivalled space to live life to the fullest. Here, you can savour delicious snacks with your friends, serve refreshing drinks, or simply surrender to the sun.

The cockpit of the *FJORD 39 XL* boasts the most generous storage volume in its class. Here, your personal items find a secure home, allowing you to embark on your adventure carefree. And let's not forget the up to four refrigerators that keep your beverages perpetually chilled – ensuring the fun never ends.

# LAYOUT MODULE CONCEPT

# CREATE YOUR OWN HOME

---

Step into the master cabin and find a queen-size bed that promises you a night of restful sleep. The ensuite bathroom provides a private bathing experience complete with modern conveniences. Refresh yourself under an invigorating shower and start your day full of energy or unwind after an exhilarating water sport adventure.
